Our services

Abacus Financial Options Ltd is able to act on your behalf in advising you on investments and non-investment insurance contracts. We offer products and services as follows:

- Investments - we offer an independent advice service. We will recommend investments based on a comprehensive and fair analysis of the market. We will place no restrictions on the Investment Markets we will consider before providing investment recommendations, unless you instruct us otherwise. We will however only make a recommendation when we know it is suitable for you.
- Non-investment protection contracts - we are an intermediary and will act on your behalf when providing advice and making our personal recommendation(s) to you. We will do this based on a fair and personal analysis of insurers for term assurance, income protection, critical illness.
- General Insurance Contracts - we offer General Insurance contracts: private medical insurance from a range of insurers

We offer you an initial discussion (without charge) at which we will describe our services more fully and explain the payment options. If you decide to go ahead, we will:

- Gather and analyse personal and financial information about you and your aims and objectives;
- Recommend and discuss any action we think you should take and, with your agreement, arrange relevant solutions for you.

You should be aware that investments carry varying degrees of risk and as their underlying value can fall as well as rise you may not get back the full amount invested.

Your aims and objectives

Unless we notify you in writing to the contrary, we will be treating you as a "retail client" for investment business and a "consumer" for general insurance business. This means that you are afforded the highest level of protection under the regulatory system and should have the right to take any complaint to the Financial Ombudsman Service.

Any advice or recommendation that we offer to you will only be given after we have assessed your needs and considered your financial objectives and attitude to any risks that may be involved. We will also take into account any restrictions that you wish to place on the type of products you would be willing to consider.

With very few exceptions, we will confirm to you in writing the basis of our recommendations along with details of any special risks associated with the products recommended.

Full details of the products we recommend to you including, for example, the minimum duration of the product, information on your right to cancel or whether no right to cancel exists, and any other early termination rights and penalties, will be covered in the relevant product disclosure information you will receive before conclusion of any contract.

We will issue any documentation/recommendations and any other communication to you in English (unless agreed otherwise).

We may also, on occasion, advise on other financial products which are not regulated by the FCA under the Financial Services and Markets Act 2000. The Financial Services Compensation Scheme does not apply to any of these products.

Our Ethical Policy

We are committed to providing the highest standard of financial advice and service possible. The interest of our clients is paramount to us and to achieve this we have designed our systems and procedures to place you at the heart of our business. In doing so, we will:

- be open, honest and transparent in the way we deal with you;
- not place our interests above yours;
- communicate clearly, promptly and without jargon;
- Seek your views and perception of our dealings with you to ensure it meets your expectations or to identify any improvements required.

Our Investment Services and Costs

We provide you with an initial no cost consultation. This helps us to understand your financial objectives and will confirm how we can support you in working towards these. We will also discuss the cost, and services levels both initially and throughout our relationship with you.

If we do not agree a fixed adviser charge with you at outset and our charges depend on how long our advice takes or the size of the investment, you may ask us for an estimate of how much in total we are likely to charge for any service. You may also ask us not to exceed a given amount without checking with you.

Assistance with Probate work (i.e. registering death with providers): £600.00

Our General Insurance and Protection Services and Costs

Similar to our investment services above, we will provide you with a personal and financial review prior to making our recommendation(s) to you. Should you accept our recommendation(s) we will arrange the implementation of this/these for you. The reasons for our recommendations will also be provided to you in a written report.

We do not charge a fee for our insurance and protection services as we will normally receive commission from the policy provider. You will not be subject to VAT for this service.

Cancellation rights

In most cases you can exercise a right to cancel by withdrawing from the contract. In general terms you will normally have a 30 day cancellation period for a life, pure protection, payment protection or pension policy and a 14 day cancellation period for all other policies.

For pure protection policies the start of the cancellation period will normally begin when you are informed that the contract has been concluded or, if later, when you have received the contractual terms and conditions. In other cases, the cancellation period will begin on the day the contract is concluded or, if later, the day on which you receive the contractual terms and conditions. Instructions for exercising the right to cancel, if applicable, will be contained in the relevant product disclosure information which will be issued to you.

If you cancel a single Contribution contract, you may be required to pay for any loss you might reasonably incur in cancelling it which is caused by market movements. This means that, in certain circumstances, you might not get back the full amount you invested if you cancel the policy.

Structured Deposits

If we arrange a structured product, we will receive a commission payment from the provider. The commission will be 3% of the amount you invest. For example, if you invest £10,000 we would receive £300 from the provider.

VAT

Under current legislation our services are not subject to VAT but should this change in future, and where VAT becomes due, we will notify you before conducting any further work.

There may be other costs, including taxes, that are payable through other parties (such as the product provider) that we may not be party to. Such charges are normally disclosed in relevant third-party documentation, for example a Key Features Document.

Client money

Abacus Financial Options Ltd is not permitted to handle client money and we cannot accept a cheque made out to us (unless it is in respect of an item for which we have sent you an invoice) or handle cash.

Documentation

We will endeavour to make arrangements for all your investments to be registered in your name unless you first instruct us otherwise in writing. All policy documents will be forwarded to you as soon as practicable after we receive them. If there are a number of documents relating to a series of transactions, we will normally hold each document until the series is complete and then forward them to you.

Instructions

We only accept instructions in writing (via paper or electronic means), to aid clarification and avoid future misunderstandings. Please note we will not act on oral instructions to avoid any possible misunderstandings.

Material Interest

We will act honestly, fairly and professionally known as conducting business in 'Client's best interest' regulations. Occasionally situations may arise where we or one of our other clients have some form of interest in business transacted for you. If this happens or we become aware that our interests or those of one of our other clients conflict with your interest, we will write to you and obtain your consent before we carry out your instructions, and detail the steps we will take to ensure fair treatment.

In accordance with the rules of our regulator, The Financial Conduct Authority, we are prohibited from accepting any payment (commission or other non-monetary benefits) which is likely to conflict with the duty of the firm to its clients.
